1911 .357 Magnum Automatic

Evolved from a classic 1911 pistol by legendary gun designer Dan Coonan, the self loading Coonan .357 Magnum Automatic delivers the most impressive firepower the industry has to offer. Crafted from stainless steel, the Coonan .357 Magnum Automatic is manufactured to exact, close tolerance specifications for supreme accuracy, reliability and shooting comfort. It combines a crisp four pound trigger pull, low-profile sights and palm-filling grips that will help you deliver explosive firepower that can't be explained using words or pictures alone. Everyone who shoots it agrees - you've never shot anything like a Coonan and you won't understand it until you do.
